

**ONE PERSON
CAN MAKE
A DIFFERENCE.
BE THE ONE!**

Dear Community Member,

Every day we hear of the problems facing our communities and all the problems can seem overwhelming. Every **ONE** wants to help, but often we are not sure where to begin. How can **ONE** person make a difference?

ONE person can make difference by coming together with all the other individuals in the community through the United Way. Giving to the Roscommon County United Way offers every **ONE** the opportunity to make a difference in their community.

Gifts given to the United Way stay right here in our local communities to help your neighbors, **ONE** individual at a time, **ONE** family at a time. We are asking you to be the **ONE** who joins with others in your community to make a difference.

A gift of **ONE** dollar a week or \$52 per year through payroll deduction or a direct donation of \$50 can help a hungry family receive food, help provide counseling, mentoring, recreation and more. Make the choice, be the **ONE** who gives. Every gift, large or small, makes a difference.
